Aaliyah "Plucked Like a Rose (Unreleased Track)" lyrics

And it's like everything I knew  
Was taken so fast from me  
Everything so dear and true  
Decided to up and leave  
Me holding you tight  
No the same without you by side  
Boy you took my family  
And left it to just me  
Takin the wrong road on a track  
And I now I can't go back

(Chorus)  
Plucked like a rose  
And who knows (who knows)  
When my petals will return  
Ohhh Im  
Plucked like a rose  
And I don't know why  
You'd do this to me  
But I know I'm...  
(Plucked like a rose)

Aint even gonna lie

Boy you know we had some good times  
Got leavin at eleven  
Had me creepin in at a quarter to seven  
I guess thats all men  
And thats how life goes  
But baby I know  
There was a promise  
To be more than any man Id meet  
You lied to me....  
Ooooooh....

(repeat chorus)

And of course I'm gonna smile again  
But won't forget the pain I'm in  
You'll be something in the past

But I thought what we had would last  
Never enough words to say  
To explain why you couldn't stay  
So quick to leave  
Was it you? Was it me?  
Oh baby....

(repeat chorus till end)
