Mmm, Yeah, Mmhmm
Ooh hmm hmm
Mmmm Yeah

Boy you know you make me float
Boy you get me high
I feel like i'm on dope
Cause you
You send me on a carpet ride
Boy we need to tie this rope
Before we drift any deeper
Baby now hold me close
Let's take this overboard now

I want you to
(Rock the boat)
Rock the boat, Rock the boat
Rock the boat. Rock the boat
(Work it in the middle)
Work the middle, Work the middle
Work the middle, Work the middle
(Change positions for me)
Change positions, switch positions
New positions, New positions
(Now stroke it baby)
Stroke it for me, Stroke it for me
Stroke it for me, Stroke it for me

Oooh baby I love your stroke
Cause you, cause you get me where i'm going
In a jury you'll get my vote
Cause I believe, I believe you know just what your doing
now
Baby now we can coast
(Let's coast, let's coast)
Let's don't get in a hurry
That's too slow
Go ahead and put that thing in overdrive

I want you to
(Rock the boat)

Rock the boat, Rock the boat
Rock the boat, Rock the boat
(Work it in the middle)
Work the middle, Work the middle
Work the middle, Work the middle
(Change positions for me)
Change positions, switch positions
New positions, New positions
(Now stroke it baby)
Stroke it for me, Stroke it for me
Stroke it for me, Stroke it for me

I want you to
(Rock the boat)
Rock the boat, Rock the boat
Rock the boat, Rock the boat
(Work it in the middle)
Work the middle, Work the middle
Work the middle, Work the middle
(Change positions for me)
Change positions, switch positions
New positions, New positions
(Now stroke it baby)
Stroke it for me, Stroke it for me
Stroke it for me, Stroke it for me

Stroke it for me, Mmm
Stroke it baby, Stroke it baby
Mmmm, Work it baby, Work it baby
Oooh Stroke It
There is somethin' I want you to do

I need you to use yourself
Like you never ever used it before
Now explore my body
Until you reach the shore
got me calling, Calling for more

(Rock the boat)
Rock the boat, Rock the boat
Rock the boat, Rock the boat
(Work it in the middle)
Work the middle, Work the middle
Work the middle, Work the middle
(Change positions for me)
Change positions, switch positions
New positions, New positions
(Now stroke it baby)
Stroke it for me, Stroke it for me
Stroke it for me, Stroke it for me

I want you to
(Rock the boat)
Rock the boat, Rock the boat
Rock the boat, Rock the boat
(Work it in the middle)
Work the middle, Work the middle
Work the middle, Work the middle
(Change positions for me)
Change positions, switch positions
New positions, New positions
(Now stroke it baby)
Stroke it for me, Stroke it for me
Stroke it for me, Stroke it for me

(Rock the boat)
Rock the boat, Rock the boat
Rock the boat, Rock the boat
Work the middle, Work the middle
Work the middle, Work the middle
(Change positions for me)
Change positions, switch positions
New positions, New positions
Stroke it for me, Stroke it for me
Stroke it for me, Stroke it for me

(Rock the boat)
Rock the boat, Rock the boat
Rock the boat, Rock the boat
