How could the one I gave my heart to  
Break my heart so bad?  
How could the one who made me happy  
Make me feel so sad?

Won't somebody tell me? So I can understand  
If you love me, how could you hurt me like that

How could the one I gave my world to  
Throw my world away?  
How could the one who said, "I love you"  
Say the things you say?

How could the one I was so true to  
Just tell me lies?  
How could the one I gave my heart to  
Break this heart of mine, tell me?

How could you be so cold to me  
When I gave you everything?  
All my love, all I had inside  
How could you just walk out the door?  
How could you not love me anymore?  
I thought we had forever, I can't understand

How could the one I shared my dreams with  
Take my dreams from me?  
How could the love that brought such pleasure  
Bring such misery?

Won't somebody tell me?  
Somebody tell me please  
If you love me how could you do that to me? Tell me

How could you just walk out the door?  
How could you not love me anymore?  
I thought we had forever, I can't understand

How could the one I gave my heart to  
Break my heart so bad?  
How could the one who made me happy  
Make me feel so sad?

Won't somebody tell me?  
So I can understand  
If you love me how could you hurt me like that?

How could the one I gave my world to  
Throw my world away?  
How could the one who said, "I love you"  
Say the things you say?

How could the one I was so true to  
Just tell me lies?  
How could the one I gave my heart to  
How could the one I gave my heart to  
How could the one I gave my heart to  
Break this heart of mine, tell me?
