You don't say that I'm pretty/ All the simple things
adding up to big ones/
There is where you messed up/
Movies or flowers/ Hours not knowing where you are or
who you with/
There is where you messed up//

(Chorus)

You keep on actin? like/ I really need a brother/ Man, I
don't need a brother/
Better get your act together/ Can't keep on holdin? on
waitin? for you/
And baby there is where you messed up/
You keep on actin? like/ I really need a brother/ Man, I
don't need a brother/
Better get your act together/ Can't keep on holdin? on
waitin? for you/
And baby there is where you messed up//

I don't need your money/ No dinners/ I've got jewelry/
Winner to loser/
And baby there is where you messed up/
Your taken me for granted/ Expect me to stay right
here/ Wait on you while you hard to find/
There is where you messed up//

Your headin straight for the gate/ It's time to cut my
dead weight/ It's you/
And baby there is where you messed up/
I heard it all a thousand times/ You tried to mess with
my mind/ And you/
And baby there is where you messed up//

She don't need you dog/ That's where you went wrong/
Uh-uh/ I don't need you dog/
See there is where you messed up/
She don't need you dog/ That's where you went wrong,
wrong, wrong/ She don't need you dog/
And there is where you messed up/
