Ha, ha, I'm tired of arguing girl
Huh, I'm tired, I'm tired, I'm tired
Huh, I'm tired of arguing girl
Huh, I'm tired, I'm tired, I'm tired
Huh, I'm tired of arguing girl
Freaky, freaky, freaky, freaky, babygirl, uh

Did you sleep on the wrong side?
I'm catching a bad vibe and it's contagious
What's the latest?
Speak your heart, don't bite your tongue
Don't get it twisted, don't misuse it

What's your problem?
Let's resolve it, we can solve this
What's the causes?
It's official, you got issues
I got issues? But I know I miss you
(No you got issues)

(Am I supposed to change?)
(Are you supposed to change?)
Who should be hurt?
Who should be blamed?

(Am I supposed to change?)
(Are you supposed to change?)
Who should be hurt?
Who should be ashamed?

(Am I supposed to change?)
(Are you supposed to change?)
Who should be hurt? Will we remain boy?
You need a resolution, we need a resolution
We need a resolution, we have so much confusion

(I want to know, where were you last night?)
I fell asleep on the couch, I thought we were going out
(I want to know, were your fingers broke?)
If you had of let me know, I wouldn't have put on my
clothes

(I want to know, where'd you go instead?)
It was 4 in the morning, when you crept back in the bed
(I want to know, what was in your head?)
Or what was in my head? Am I supposed to change?

(Am I supposed to change?)
(Are you supposed to change?)
Who should be hurt?
Who should be blamed?

(Am I supposed to change?)
(Are you supposed to change?)
Who should be hurt?
Who should be ashamed?

(Am I supposed to change?)
(Are you supposed to change?)
Who should be hurt and will we remain?
You need a resolution, we need a resolution
We need a resolution, we have so much confusion

(Am I supposed to change?)
(Are you supposed to change?)
Who should be hurt
And who should be blamed?

(Am I supposed to change?)
(Are you supposed to change?)
Who should be hurt?
Who should be ashamed?

(Am I supposed to change?)
(Are you supposed to change?)
Who should be hurt?
Will we remain?
You need a resolution, I need a resolution
We need a resolution, we have so much confusion

Baby, let me know, you'll let me know
(I will)
You'll let me know, you'll let me know
(I will)
You'll let me know, you'll let me know
(I will)
You'll let me know, you'll let me know
(I will)
You'll let me know, you'll let me know
(I will)

Girl holla, you give me bits and pieces
You tryna blame me when I don't even know the reason

I think it's just the season, maybe the month, maybe
you're [unverified]
Now tell me what's the reason? Snoop video? Looks are
deceiving

So, cut the crying, cut the coughing, cut the weazing,
girl
Quit the blaming, cut the naming, cut the sneaking, girl
I think you need some prayer, better call the deacon,
girl
So, get your act right or else we won't be speaking, girl

So, what's it gonna be? Freaky, freaky, me and you?
Or is it gonna be who blames who?
I'm tired of these things, I'm tired of these scars
I think I'm gonna get me a drink, I'll call you tomorrow
