Hey... Yeah...Hey...Oh...

Chorus:

You wanna handcuff me  
But yo I don't what to tell ya  
(Don't know what to tell ya)  
You want my intimacy  
But yo I don't know what to tell ya  
(Don't know what to tell ya)  
You want a wall around me  
I swear I don't know what to tell ya  
(Don't know what to tell ya)  
You want my lock and my key  
But yo I don't know what to tell ya

Incarceration's what I'm facin'  
When I'm with you  
You're watchin' my every move  
Tryna' pick up on some clues  
We play 20 questions  
Every time I walk in or out the door  
What do you bother for (What do you bother for)  
Get comfortable with yours

It's gonna take(take)  
T-R-U-S-T to keep our L-O-V-E  
It's gonna take  
(It's gonna take)  
T-R-U-S-T to keep our L-O-V-E crackin'

Stressin and second guessin' me  
Time and time again  
We go from lovers back to friends  
Got to put this to an end (hey...yeah)

You wanna handcuff me  
But yo I don't what to tell ya  
(Don't know what to tell ya)  
You want my intimacy  
But yo I don't know what to tell ya  
(Don't know what to tell ya)  
You want a wall around me

I swear I don't know what to tell ya  
(Don't know what to tell ya)  
You want my lock and my key  
But yo I don't know what to tell ya

No justifications for your actions  
Shoulda been somewhere relaxin'  
Don't compare me to your last one  
I can't help if she was a fast one  
A sassy one  
I'ma classy one  
I can keep em from gettin' at me huh  
Seems like should make you happy huh

It's gonna take(take)  
T-R-U-S-T to keep our L-O-V-E  
It's gonna take  
(It's gonna take)  
T-R-U-S-T to keep our L-O-V-E crackin'

I can't deny or lie  
I've tried to put up with you  
These insecurities everyday  
Pushin' my love away

You wanna handcuff me  
But yo I don't what to tell ya  
(Don't know what to tell ya)  
You want my intimacy  
But yo I don't know what to tell ya  
(Don't know what to tell ya)  
You want a wall around me  
I swear I don't know what to tell ya(I swear, yeah)  
(Don't know what to tell ya)  
You want my lock and my key(my lock and my key)  
But yo I don't know what to tell ya  
( Don't know what to tell ya)(no)

You wanna handcuff me  
But yo I don't what to tell ya(yes you do)  
(Don't know what to tell ya)  
You want my intimacy  
But yo I don't know what to tell ya(no)  
(Don't know what to tell ya)  
You want a wall around me  
I swear I don't know what to tell ya  
(Don't know what to tell ya)  
You want my lock and my key  
But yo I don't know what to tell ya

(Said it's gonna take)

It's gonna take(take)  
T-R-U-S-T to keep our L-O-V-E  
It's gonna take  
(It's gonna take)  
T-R-U-S-T to keep our L-O-V-E (take... yeah)

It's gonna take(It's gonna take)  
T-R-U-S-T to keep our L-O-V-E  
It's gonna take  
(It's gonna take)( take,take)  
T-R-U-S-T to keep our L-O-V-E  
Crackin', crackin'
