Its whatever  
Whatever

## Verse 1

Just like the bird  
That whistle in the trees  
hidden in the leaves  
So happily  
Well You're my tree  
And through the storms  
You stood strong for me  
Kept me warm as can be ( Warm as can be )  
Like a candy  
To an apple  
Oh we go together  
You're so sweet on me ( Oh so sweet )  
I can say that i do believe  
This is destiny  
It keeps callin me

## Chorus 1

Now its me and you  
You and me  
And its whatever  
Whatever you want it to be  
I'm tellin you ( I'm tellin you )  
If it's up to me  
Whatever is whatever  
Its whatever with you and me ( You and me) ( Whatever )

## Verse 2

Just like a breeze  
In the middle of a summer's eve  
When you come through  
You comfort me ( Oh you comfort me )  
and for my drink  
You're my lemon squeeze

Oh you got flavor boy  
You go good with me  
So boy don't play or tease me  
Ooo When we're together  
You got what i need  
Now it's getting late ( Getting late )  
It's after 3 (Its after 3 )  
So quit your stallin'  
My bodys callin'

#### Chorus 2

Now it's me and you ( Now it's me and you )  
You and me ( You and me )  
And it whatever  
Whatever you want it to be  
I'm tellin you ( I'm tellin you )  
If it's up to me  
Whatever is whatever  
As long as it's you and me

#### Bridge

Whatever is whatever  
Whatever  
It's whatever ( Whatever )  
It's your world  
I put that on everything
