Love, let me know, let me know  
Love, let me know, let me know, let me know

When I feel what I feel  
Sometimes it's hard for me to tell you so  
You may not be in the mood  
To learn what you think you know

There are times when I find  
You wanna keep yourself from me  
When I don't have the strength  
I'm just a mirror of what I see

But at your best you are love  
You're a positive motivating force within my life  
Should you ever feel the need to wonder why  
Let me know, let me know  
Love  
Let me know, let me know

When you feel what you feel  
Oh, how hard for me to understand  
So many things have taken place  
Before this love affair began

But if you feel, oh, like I feel  
Confusion can give way to doubt  
For there are times when I fall short of what I say  
What I say I'm all about, all about

But at your best you are love  
You're a positive motivating force within my life  
Should you ever feel the need to wonder why  
Let me know, let me know

No, no, no, no

Tell me what it is (Tell me what it is)  
There's no need to make believe  
(Make believe, no need to make believe)  
Look beyond your world (Look beyond your world)

Try to find a place for me  
(Try to find, find a place for me)

'Cause at your best you are love  
You're a positive motivating force within my life  
Should you ever feel the need to wonder why  
Let me know, let me know  
Let me know, let me know, let me know, oh...  
Love  
Oh, baby  
Stay at your best, baby, yeah  
Please do it for God's sakes
