[Mr. Hudson] Let's dance in style, let's dance for a while Heaven can wait, we're only watchin the skies Hopin for the best but expecting the worst Or you gonna drop the bomb or not? Let us stay young, or let us live forever We don't have the power but we never say never Sitting in a sand pit, life is a short trip The music's full of sad men [Chorus: Mr. Hudson] Forever young; I wanna be, forever young Do you really want to live forever, forever, and ever? Forever young; I wanna be, forever young (forever young) Do you really want to live forever, forever, forever young? [Jay-Z - over Chorus] Uhh, Young! Ay may the best of your todays Be the worst of your tomorrows But we ain't even thinkin that far Knahmean? [Jay-Z] So we livin like a video (video) Where the sun is always out and you never get old And the champagne's always cold, and the music's always good And the pretty girls just happen to stop by in the hood And they hop they pretty ass up on the hood of that pretty-ass car Without a wrinkle in today, cause, there's no tomorrow Just a picture perfect day that last a whole lifetime And it never ends cause all we have to do is hit rewind So let's just stay in the moment, smoke some weed, drink some wine Reminisce, talk some shit, forever young is in your mind Leave a mark they can't erase, neither space nor time So when the director yells cut, I'll be fine I'm, forever young [Chorus] [Jay-Z] Fear not when or fear not why, fear not much while we're alive Life is for livin not livin uptight, 'til you somewhere up in the sky Fear not die, I'll be alive for a million years, bye-bye So now for legends I'm forever young, my name shall survive Through the darkest blocks over kitchen stoves over Pyrex pots My name shall be passed down to generations while debatin up in barbershops Young slung, hung here, show that the nigga from here With a little ambition just, what, we can become here (yeah) And as the father passed the story down to his son's ears Younger get, younger every year, yeah So if you love me baby this is how you let me know Don't ever let me go, that's how you let me know, ba-by [Chorus] [Jay-Z] Just let it run.. Slammin Bentley doors, hoppin out of

Porsches Poppin up on Forbes list, gorgeous - hold up  
Niggaz thought I lost it, they be talkin bullshit I'll be  
talkin more shit, they nauseous - hold up I'll be here  
forever, you know I'm on my fall shit And I ain't with  
foreclosure, I will never forfeit Less than four bars,  
Guru bring the chorus in Did you get the picture yet?  
I'm paintin you a portrait of Young [Chorus] - latter half
