There we go, okay, okay
Don't do me Greasy, okay
You know what a dog needs
Do you really know what a dog needs?

Uh a dog needs a grr
What? What? A dog needs a grr, come on
Not just any uh, but a real uh
That's gonna hold that dog down

Baby, I am what I am, I'm gon' be who I be
Everything from chasing a cat to pissin' on a tree
Let me see what I gotta to see, do what I gotta to do
Dog for life but keep it true

Every once in a while I'll break out the backyard to roam
And get reckless but I still know that home is home
And when I get there I'mma sit there
Take a shit, there put my dick there

Do I handle my business? Shit, yeah
I'mma run till I bust my gun and empty the clip
Never come home, I gotta go just gimme the whip
I ain't got time for the lip, just open the fence

Let me go I'll come back, I ain't got time to convince
Ever since I was a pup, I've been stuck with the street
shit
Keep the heat, shit, fuck it, nigga gotta eat
I past on a weak shit, if it's out there I want it
All at one time, so when it's my time, I've done it

I know you'll kill for me, you'll die you me
I know you like to rip and run the streets
But I get nervous sometimes, ooh baby, I can't help to
think
You might not make it home to eat, I barely sleep

Could you pick up a phone and call me at home?
And let me know you ain't in some heat
And don't go crying, you're grown, you know I'm
looking out for you

'Cause you be looking out for me, me, me

Yo, you can go with your dogs, if you make this
promise to me

You make it back in one piece, so you can go with your
dogs

If you make this promise to me, you make it back in one
piece

'Fore you go bendin' the law, if you make this promise
to me

You make it back in one piece, I know you up in it all

If you make this promise to me, you make it back in one
piece

And oh boy, I know you got to do what you do, ooh-oooh

You're making moves, I'm makin' moves, yo we cool
(What? What? What?)

Lay on your paws I got your back if you fall, hey-hey

Nothing's to big, nothing's to small just go ball, yeah

Uh dog tags around my neck the streets are mine

I might leave the heat behind 'cause in the streets I'm
fine

That's why niggaz, sleep till nine, out by ten back by ten

Sleep till nine do it again, if you love something let it go

If it comes back to you it yours

If it doesn't fuck it, you'll never know

You got me I got you, uh

Dog with a dog, ride till we die, if it's on then it's on

Yo, you can go with your dogs, if you make this
promise to me

You make it back in one piece, so you can go with your
dogs

If you make this promise to me, you make it back in one
piece

'Fore you go bendin' the law, if you make this promise
to me

You make it back in one piece, I know you up in it all

If you make this promise to me, you make it back in one
piece

Yo, you can go with your dogs, if you make this
promise to me

You make it back in one piece, so you can go with your
dogs

If you make this promise to me, you make it back in one
piece

'Fore you go bendin' the law, if you make this promise
to me

You make it back in one piece, I know you up in it all
If you make this promise to me, you make it back in one
piece

Yo, you can go with your dogs, if you make this
promise to me
You make it back in one piece, so you can go with your
dogs
If you make this promise to me, you make it back in one
piece
'Fore you go bendin' the law, if you make this promise
to me
You make it back in one piece, I know you up in it all
If you make this promise to me, you make it back in one
piece
