[Rap: Skillz]

I bust the windows out ya carrrr
Oh no you won't
If you think about doin it
I suggest you don't
I know you got feelings Your tears are pouring
Don't do that Jaz I ain't got insurance (whateva)
Put the bat down I'm a give you a warning
I only cheated once And I ain't even enjoy it (that's bull)
I know the way that I did you was wack
But you don't get a nigga back like that (watch me)
I promise honest I'm finna change
Stop swinging on me
Let me Explain Your girlfriends guiding you head again
See I was going out with Craig and nem (umm hmm)
She smiled I smiled That's when I thought she had a
change of heart (nope)
Man listen she didn't Damn! She bust the windows out
my car

[Jazmine:]

I bust the windows out ya car
And no it didn't mend my broken heart
I'll probably always have these ugly scars
But right now I don't care about that part

I bust the windows out ya car
After I saw you laying next to her
I didn't wanna but I took my turn

I'm glad I did it cause you had to learn...

I must admit it helped a little bit
To think of how you'd feel when you saw it
I didn't know that I had that much strength
But I'm glad you see what happens when...

You see you can't just play with people's feelings
Tell them you love them and don't mean it
You'll probably say that it was juvenile
But I think that I deserve to smile
Ha ha ha ha ha ha

I bust the windows out ya car
You know I did it cause I left my mark
Wrote my initials with the crowbar
And then I drove off into the dark

I bust the windows out ya car
You should feel lucky that that's all I did
After five whole years of this bullshit
Gave you all of me and you played with it

Oooh ahh...

[Rap: Skillz]

Okay I can understand how you get it to
That bomb been ticking but I lit the fuse
You acting insane I can say that too
You wanna play games I can play that too
Oh now we busting windows iight cool
Remember that key you gave me?
I'll put it to use
Close your mouth I been your house
And I burned up all yo shoes

[Spoken:]

Yea... You did what?
I burned em up... No you didn't
I did... Don't lie to me like that
I swear to God... If I go in here and find my shoes burnt
up (and what)
It's gone be hell... it's gone (then what) be hell
I... I know you didn't... I know... That's my face
I know you didn't just hit me in the face...
You know exactly what the hell I just did
Ay where's my phone at... I'm bout to call the cops on yo
ass you crazy
Yea I am Yea... you crazy... Yea I am and who fault is
that?

[Sung: Jazmine]
Oh but why am I still crying?
I am not the one who's still crying...
Ooohh ooooh Really hurt me baby
Really really hurt me baby
