[Intro:]

I, I, I

I, I, I

Radio, Radio, Radio

Killah(killah)

[Verse 1: Jazmine Sullivan]

I Bust The Windows Out Your Car

And Though It Didn't Mend My Broken Heart

I'll Probably Always Have These Ugly Scars

But Riht Now I Dnt Care About That Part

I Bust The Windows Out Your Car

After I Saw You Laying Nexxt To Her

I Didn't Wanna But I Took My Turn

I'm Glad I Did It Cause You Had To Learn

[Chorus: Jazmine Sullivan]

I Must Admit It Helped A Little Bit

To Think Of How You'd Feel Wen You Saw It

I Didn't Know That I Had That Much Strength

But I'm Glad You See Wat Happens Wen

You See You Can't Just Play With Peoples Feelings (I, I, I)

Tell Them You Love Them And Dnt Mean It (I, I, I)

You'll Probably Say That It Was Juvenile (I, I, I)

But I Think(I, I, I) That I(I, I, I) Deserve To Smile(I, I, I)

[Verse 2: The-Dream]

Radio (Radio)

Radio Killah

Now Girl You Know You Broke My Heart

Ay

Not Becuz Your Gone

But Wat You Done To My Car

Now It's In The Shop

For The Nexxt 2 Weeks

By then you wnt even remember why you're mad at me

I Didn't Break Your Heart

(Shawty I didn't Break Your Heart)

This Time Babi You Went Too Far (U Went Too Far)

If You Were To Pull Bak The Sheets (Sheets)

You Would'Ve Noticed That It Wasn't Me (AY!)

Go Ahead Apologize (Go Ahead Apologize)  
I Told You 5 Times That I Wasn't There  
But You Rather Believe  
Keisha That Told Tameka  
And Camp and dem  
And They Just Mad Cause I Ain't Sleeping With Them  
So Shawty Get Up In Dis Biz (Biz)  
Hey  
R U Crying or Are Those Tears Frum Tha Wind  
Cause U Was Actin FooLish  
Did You Lose Your Mind  
Sure You Bust The Windows out  
But You Know Cause You Bust The One Out On Yo Side  
(Yo Side, Yo Side)  
Now You Looking Silly In The Car(Ca, Ca, Car)  
You Dnt Trust me  
(You Looking Silly In The Car Ca Ca Car)  
And You Didn't Love Me  
Like I Loved You  
Woohh ooo woh oh oh  
But It's All Right  
And It's Ok  
Cause I was Leaving Any Ways

[Ending: The-Dream - repeat]  
Shawty  
Shawty Bust My Windows Out  
Shawty Bust My Windows Out  
(but) Dat onez On Your Side  
(But Dat Onez) On Your Side  
Shawty Bust My Windows
