There we go, okay, okay
Don't do me Greasy, okay, uh, ay yo
You know what a dog needs
Do you really know what a dog needs?

Uh, a dog needs a grrr
What? What? A dog needs a grrr, come on
Not just any uh but a real uh
That's gonna hold that dog down, arf arf

Baby, I am what I am, I'm gon' be who I be
Everything from chasing a cat to pissin' on a tree
Let me see what I gotta to see, do what I gotta to do
Dog for life but keep it true

Every once in a while I'll break out the backyard to roam
And get reckless
But, I still know that home is home
And when I get there I'mma sit there

Take a shit there put my dick there
Do I handle my business? Shit yeah
I'mma run till I bust my gun and empty the clip
Never come home, I gotta go just gimme the whip

I ain't got time for the lip
Just open the fence
Let me go I'll come back
I ain't got time to convince

Ever since I was a pup
I've been stuck with the street shit
Keep the heat shit
Fuck it nigga gotta eat

I past on a weak shit
If it's out there I want it
All at one time
So, when it's my time I've done it

I know you'll kill for me, you'll die for me
I know you like to rip and run the streets

But, I get nervous sometimes, ooh baby, I can't help to think

You might not make it home to eat, I barely sleep

Could you pick up a phone and call me at home?

And let me know you ain't in some heat

And don't go crying, you're grown, you know I'm looking out for you

'Cos you be looking out for me, me, me

Yo, you can go with your dogs

If you make this promise to me

You make it back in one piece

So, you can go with your dogs

If you make this promise to me

You make it back in one piece

'Fore you go betting it all

If you make this promise to me

You make it back in one piece

I know you up in it all

If you make this promise to me

You make it back in one piece

And oh boy, I know you got to do what you do

You're making moves, I'm makin' moves, yo we cool

Lay on your paws, I got your back if you fall

Nothing's to big, nothing's to small just go ball

Uh, dog tags around my neck the streets are mine

I might leave the heat behind

'Cos in the streets I'm fine

That's why niggas sleep till nine

Out by ten back by ten

Sleep 'til nine do it again

If you love something let it go

If it comes back to you it yours

If it doesn't fuck it, you'll never know

You got me I got you, uh

Dog with a dog, ride 'til we die

If it's on then it's on

Yo, you can go with your dogs

If you make this promise to me

You make it back in one piece

So you can go with your dogs

If you make this promise to me

You make it back in one piece
'Fore you go betting it all
If you make this promise to me

You make it back in one piece
I know you up in it all
If you make this promise to me
You make it back in one piece
