Talkin' 'bout makin' love

(FACE)

I will love you any way baby any way
and every way I can
'Cause I'm that kind of man
I will give you everything baby
give you more that any girl can stand

Check it
Word is bond
Born God
Check it out
Word up son
What's the deal baby

(FACE)

I will love you any way baby any way
and every way I can
'Cause I'm that kind of man, yeah
I will give you everything baby
give you more that any girl can stand
I'm gonna love you baby, baby, baby, baby

(LL)

I'm talking about making love in the shower
At least an hour
And let you dangle in my arms
'Cause love is power
Can you feel it the sky's the limit
Once you reveal it
Your heart was wounded
God sent me to heal it
On a mission ain't no stress love
Touch you with precision
Just undress love
I know the right position
Come on trust me girl
Throw this rock up on your hand
I'll give you the world

Hey yo Face
On the real
Was the honey looking laced

Ooh baby baby baby

Chorus:
This is for the lover in you
This ring means I'll always be true
This is how we'll start love anew
This time it's gonna last forever

(FACE)
I will love you all the way baby, girl that means
this love will never end
I will take you anywhere baby, just say when
and girl I'll take you there
I'm gonna take you baby, baby, baby, baby

(LL)
We're going from Tahiti to France
To Italy in one night
Drop to Bentley coupe parked in the spotlight
And you can drive it I
