Love is life and life is livin'

It's very special

All my love...

[J-Lo] + (LL Cool J)

Oh...oh...oh...oh...oh...

(Baby, don't go)

(Baby, don't go) Yeah

(Baby, don't go, uh)

(Baby, don't go) Yeah

(Baby, don't go)

(Baby, don't go) Yeah, yeah

(Why you act like that)

[J-Lo]

It's such a shame, but I'm leavin'

Can't take the way you mistreated me

And it's crazy, but oh, baby

It don't matter, whatever, don't phase me

[LL Cool J]

Uh, uh, uh

I don't believe you wanna leave like this

I don't believe I just had my last real kiss

I do believe we'll laugh and reminisce

Wait a minute, don't bounce, baby, let's talk about this,  
man

[J-Lo]

Well, I'm bouncin' and I'm out, son

I gotta leave you alone

[J-Lo]

Cause I'm good holdin' my spot

And I'm good reppin' the girls on the block

And I'm good, I got this thing on lock

So without me you'll be fine, right

[J-Lo] + (LL Cool J)

All my pride is all I have

(Pride is what you had, baby girl, I'm what you have)

You'll be needin' me, but too bad

(Be easy, don't make decisions when you mad)

You had to your choice to run alone

(I know you're independent, you can make it on your  
own)

Here with me you had a home, oh, yeah

(But time is of the essence, why spend it alone, huh)

[J-Lo]

The nights I waited up for you (Oh, boy)

Promises you made about comin' through

So much time you wasted

That's why I had to replace you

[LL Cool J]

Uh, uh, uh

It makes a cat nervous, the thought of settlin' down

Epecially me, I was creepin' all over town

I thought my tender touch could lock you down

I knew I had you, as cocky as it sounds

That's the way you used to giggle right before I put it  
down

It's better when you angry, come here, I'll prove it now,  
come here

[J-Lo]

Stop playin, you gamin'

I gotta leave you alone

[J-Lo] + (LL Cool J)

Cause I'm good holdin' my spot (Stop actin' like that)

And I'm good reppin' the girls on the block (Now you  
know you need to stop)

And I'm good, I got this thing on lock

So without me you'll be fine, right (Here we go)

[J-Lo] + (LL Cool J)

All my pride is all I have

(Pride is what you had, baby girl, I'm what you have)

You'll be needin' me, but too bad

(Be easy, don't make decisions when you mad)

You had to your choice to run alone

(I know you're independent, you can make it on your  
own)

Here with me you had a home, oh, yeah

(But time is of the essence, why spend it alone, huh)

[LL Cool J]

People make mistakes to make up, to break

To wake up cold and lonely, chill, baby, you know me

You love me, I'm like your homey

Instead of beef you come hold me

I promise I'm not a phony

Don't bounce, baby, console me, come here

[J-Lo]

Ain't nothin' you can say to me that can change my  
mind

I gotta let you go now

And nothin' will ever be the same, so just be on your  
way

Go 'head and do your thing now

And there's no more to explain to me, you no

I know your game and I'm feelin' what you do

[J-Lo]

So I'm bouncin' and I'm out, son

I gotta leave you alone, yeah, yeah

[J-Lo] + (LL Cool J)

All my pride is all I have

(Pride is what you had, baby girl, I'm what you have)

You'll be needin' me, but too bad

(Be easy, don't make decisions when you mad)

You had to your choice to run alone

(I know you're independent, you can make it on your own)

Here with me you had a home, oh, yeah

(But time is of the essence, why spend it alone, huh)

[J-Lo] + (LL Cool J)

I promise you

You know what I'm sayin'
