Verse 1:

I can feel it  
I can feel myself moving  
Closer to a dream that's waiting for me  
I know that I'll come across a bumpy path but I'll get  
through it x2

Chorus:

I can fly high  
And I can swim right under the ocean  
Anythings mine  
If I have faith I kno I can do it  
I will get by  
If I work towards all my dreams  
Suns gonna shine  
If I have faith I know I can make it

Verse 2:

Lifes not ment to be safe  
Aint no hard work goes unrewarded I'm sure  
I am willin, I am able I'm ready  
For watever that may come my way

There's no doubt that I will get there I'm certain  
Nothings imposible  
With dedication, Motivation desperation  
We were all born to shine

And right nows my time  
To give out a little light  
Of my own  
And shine it on the world

Chrous:

I can fly high  
And I can swim right under the ocean  
Anythings mine  
If I have faith I kno I can do it  
I will get by  
If I work towards all my dreams  
Suns gonna shine

If I have faith I know I can make it

All I need is faith

All I need is faith

All I need is faith

All I need is faith

Chorus:

I can fly high

And I can swim right under the ocean

Anythings mine

If I have faith I kno I can do it

I will get by

If I work towards all my dreams

Suns gonna shine

If I have faith I know I can make it
