The Collectors Hall of Fame

My Dad's Got Baseball, Football, Basketball, and
Bicycle, any old card Won't have to look too
hard -----

I'm Sure it's floatin round here somewhere
And the John F. Kennedy Memorial Library's right
over there -----

At the bottom of the stairs --- Move it take a month of
Sundays

John said "Joe we need a plan" Sure could use
another set of hands

A sense of emergency came over me and I said
(Chorus)

The silver certificates are drying outside " 2 dollar
bills are on a table to the right

5's and up are all over the porch " On the deck
there's more to sort

Cardboard coins with the staples on the side " dining
room floor on the left to the right

Scrapbooks all about World War II " swear to God
nothing he wasn't into

Our Old man he'd put em all to Shame "--
At the Collectors Hall of Fame

He's got Stamp Books, Coin Books, Scrap Books,
and Comic Books, Every where

Man I Swear, - All this gotta go somewhere

All this Catastrophe, brought our Family, closer you
see,

Times like these ---- gets Written into family Histories

Stacks of Records out in the Trash

George Jones, Patsy Cline, and Johnny Cash

Part of our Life that went by way to Fast

(Repeat chorus)

On Easter Sunday a Pump went down "

Nothing open for miles around

Visit Dad, for a little while he said "Son, where you
been

as he smiled, Well

That's the great flood of 2010 " Hope I never
have to go thru it again
14 days water pouring in " I learned a lesson or 2
back then
Lock my Treasures up in my heart " Now would be a
good time to Start, I'll
Carry this Tradition in his Name " Since that Day
nothing's been the Same
