Dil kee baaton ko koyee naa jaanay  
Aik mohabbat kay so afsaanay  
Kabhe maan jaayay kabhee rooth jaayay kar kay  
bahaanay  
Aag haz kya anjaam kya koyee naa jaaanay

Who dikhlaateen hain sapnay suhaanay  
Baatein aur waaday saaray puraanaay  
Hum jaantay pehchaantay phir bhee deewaanay

Kya maangay who chaahay who kya hum sab anjaanay  
Unn kay dil ko paa kar samjhay jeet gayay par haaray  
Dil kay baad ka chakar yaaron jeenay naa day maaray  
Day do zameen aur aasman say laa do naa taaray  
Unn kay dil ko paa kar samjhay jeet gayay par haaray

Kabhe maan jaayay kabhee rooth jaayay kar kay  
bahaanay  
Aag haz kya anjaam kya koyee naa jaaanay

Sochoon main yeh baar baar kay tor doon zanjeerain  
Dil kehta hai aur kuch par akal kahay kuch cheezain  
Phir yeh ada phir who ada phir dil tujh par fidaa  
Sochoon main yeh baar baar kay tor doon zanjeerain

Dil kee baaton ko koyee naa jaanay  
Aik mohabbat kay so afsaanay  
Kabhe maan jaayay kabhee rooth jaayay kar kay  
bahaanay  
Aag haz kya anjaam kya koyee naa jaaanay
