[Intro: Joe]

Where you at? Where you at? Where you at?  
Baby where you at? Baby where you at? Baby where  
you at? Baby where you at?

[Verse 1: Joe]

Every word to touch you down it's playin in my head  
Like a Scarface, crime scene, ain't no bringin it back  
Those tears, didn't mean much then but now I know  
That you said you don't feel it the wind starts to get  
cold  
(Only) She's a woman like a car I replace it  
(Mostly) I wonder if she saw this bullet comin like this  
(Only) Words that I can hear in my ear  
It's the gesture you 'gon see this soon as you plannin in  
the field

[Chorus: Joe]

(Baby where you at?) Ain't no sittin on my pillow case  
no more  
(Baby where you at?) I just recognize I'm livin life alone  
(Baby where you at?) I just I just wish you call me, damn  
this phone  
(Baby where you at?) That's if I have four weeks  
My whole life just flashed before me

[Bridge: Joe]

Oh, oh, oooh oooh oooh, how foolish could I be?

[Verse 2: Joe]

Wild as can be (Never) never fear bein humble  
(Humble)  
Got in and out to face my fear, may never have a  
choice again  
To be honest, with that one that was loyal to me  
God really has his ways, of talking you off that stage  
(Only) She's a woman like a car I replace it  
(Mostly) I wonder if she saw this bullet comin like this  
(Only) Words that I can hear in my ear  
It's the gesture you 'gon see this soon as you plannin in  
the field

[Chorus: Joe] (\*Papoose)

(Baby where you at?) Ain't no sittin on my pillow case  
no more

(Baby where you at?) I just recognize I'm livin life alone  
(Baby where you at?) I just I just wish you call me, damn  
this phone

(Baby where you at?) That's if I only have four weeks  
(\*Yeah!)

My whole life just flashed before me (\*Papoose, Pa-  
poose)

[Verse 3: Papoose]

They say you never know what you have until you lose it  
You promise your girl somethin you better do it  
You can't tell a women you love her, are you stupid?  
Words don't express your love you gotta prove it  
Back then our relationship was the truest  
Romance, slow dance to Joe music  
As the time went on, I became foolish  
Now your gone everything ruined  
But girl this is Papoose, I'm on your favorite track  
I know your friends in your ear, but baby come back  
And I never let you down, so later for that  
I told you I was 'gon make it I'm the savior of rap  
And I work hard you don't gotta cater for Pap  
I tie my own durag, lay back and relax  
You don't even gotta accept my apology  
But I'm man enough to admit it acknowledge me

[Bridge: Joe]

Oh! Oh! Baby! If any one event it was just like me  
Oooh! Oooh! Babe! Treat her like this wasn't last week  
Won't you call babe? (Won't you call!!!) You know the  
song babe  
Girl you know the song are you hearing me?!  
Damn I regret running all overseas!!!

[Chorus: Joe]

(Baby where you at?) Ain't no sittin on my pillow case  
no more

(Baby where you at?) I just recognize I'm livin life alone  
(Baby where you at?) I just I just wish you call me, damn  
this phone

(Baby where you at?) That's if I only have four weeks  
My whole life just flashed before me
