Oh yeah, ain't that cute?

My mama told me I'm too young to love
But I know what I know and I can't get enough
I'm thinking 'bout you and me holding hands
Pushing you on a swing, we can do anything

'Cause when I think of you, all I know is
That there's nothing I won't do to be with you

Ain't that cute? Holding hands in the park
Ain't that cute? Can't stay late after dark
Ain't that cute? Was it love from the start?
Ain't that cute? I could swear you stole my heart
Ain't that cute?

I often wonder the meaning of love
Is it something meant for just grown-ups?
Nick always told me just to follow my dreams
But with love on my mind it is so hard to see

And still I think of you, all I know is
That there's nothing I won't do to be with yo

Ain't that cute? Holding hands in the park
Ain't that cute? Can't stay late after dark
Ain't that cute? Was it love from the start?
Ain't that cute? I could swear you stole my heart

It's true, if I'm wrong then tell me girl
What I should do or would you even care
If I told you love could be so simple
Between me and you, oh, tell me

Ain't that cute? Holding hands in the park
Ain't that cute? Can't stay late after dark
Ain't that cute? Was it love from the start?
Ain't that cute? I could swear you stole my heart

Ain't that cute?
Ain't that cute?
