Lil momma
Y
I met myself a cowgirl
Whacha want, put me on

Okay, this is how it went down
Sunday afternoon with the fellas
At the play ground
Chillin, my father honked his horn at me
Said I have a show in texas
And I gotta leave
Texas, wow Ive never been
Maybe I can find
A new hang out friend
Anyway, packin up
My bags on my way
Signing autographs as
I run to catch the plane
I seen her, chubby cheeks with long braids
Cute face, the same age
She played hard to get
As I offered out my name
She just walked away
With a smile

Oh my little cowgirl

Yippie-ki-yo-yippie-yay
Lil momma
Yippie-ki-yo-yippie-yay
Lil momma

Yippie-ki-yo-yippie-yay
I met myself a cowgirl
Whacha want put me on

Yippie-ki-yo-yippie-yay
Lil momma
Yippie-ki-yo-yippie-yay
Lil momma
Yippie-ki-yo-yippie-yay
I met myself a cowgirl
Whacha want put me on

Ok, now the plane landed
Shes been on my mind
So much I can't stand it,
My manger keep rushin me to go
I try to look for her,
Give her ticket to the show
(hey aaron come on)
Thought I see a cowboy hat
But everyone was ready
And our luggage was packed
(lets go)
Hesitant for leaving my heavensent cowgirl
We went off to the hotel as I practiced in the hotel lobby
She was on my mind full time
The fellas tried to cheer me up
I came down with a case of puppy love
(oh aaron you'll be alright)
I went back to having fun,
Dancing makes you thirsty
Plus it was time for lunch at the hotel restaurant
Ordered me some burgers and fries,
Then to my surprise
Walked in my cowgirl

Yippie-ki-yo-yippie-yay
Lil momma
Yippie-ki-yo-yippie-yay
Lil momma
Yippie-ki-yo-yippie-yay
I met myself a cowgirl
Whacha want, put me on

Yippie-ki-yo-yippie-yay
Lil momma
Yippie-ki-yo-yippie-yay
Lil momma
Yippie-ki-yo-yippie-yay
I met myself a cowgirl
Whacha want, put me on

(go go yeahh)
Break it down with me lady,
Break it down with me lady,
Break it down,
I met myself a cowgirl,
Put me on

(go go yeahh)
Break it down with me lady,
Break it down with me lady,
Break it down,
I met myself a cowgirl,
Put me on

And now Im on the stage
Preforming infront of a capacity
Screaming guys and screaming girls
But still no sign of my cowgirl
As I head to the other front part of the stage,
There she stood with a smile on her face
My cowgirl,
Took her by the hand
Brought her on stage and started to dance
With my cowgirl

Yippie-ki-yo-yippie-yay
Lil momma
Yippie-ki-yo-yippie-yay
Lil momma
Yippie-ki-yo-yippie-yay
I met myself a cowgirl
Whacha want, put me on

Yippie-ki-yo-yippie-yay
Lil momma
Yippie-ki-yo-yippie-yay
Lil momma
Yippie-ki-yo-yippie-yay
I met myself a cowgirl
Whacha want, put me on

Lil momma

I met myself a cowgirl,
Put me on

(fades)
