Chorus

Hearts on Fire, Hearts on fire
Tonight, Tonight, I'm gonna put it down for you for
me girl 1x

Verse 1

I know just how it feels I know just what you like
I'm never all prepared I know you still care
So don't tell me you don't love me baby
I'm your only man
And even though it kinda feels wrong I gotta do what I
can

Chorus 2x

Verse 2

I see it when it burns, Flames are never good
The fires in our hearts, And it's tearing me apart
I'm committed to this girl I'm with, I've been
here from the start
And even though it kinda feels wrong, I gotta do what I
can

Chorus 2x

Verse 3

What more is there to do, What more is there to say
The flame is burning now, The truth is coming through
I want ya darling, I need ya loving
It's time to make a change now, and even though it
kinda feels wrong
I gotta do what I can

Chorus 4x
