I'm gonna miss you forever
I'm gonna miss you girl
Gonna miss you girl
I always think about you
All the time you're on my mind
We play together you and I
I can't believe that it's true
That now I have to see you leave
You're the only one for me
My girlfriend
My best friend
I don't wanna see you go, I just wanna let you know
That I have a crush on you
I can't wait no longer girl to say what I feel
The first time that I saw you
I knew it from the very start
You had a place deep in my heart
I can't believe that it's true
Now it's time for you to leave
And baby I just can't believe
You and me together, girl I'll wait forever
It's only a matter of time (cause)
