Lust To Love?  
(C. Caffey/J. Wiedlin)?

It used to be fun was in?  
The capture and kill?  
In another place and time?  
I did it all for thrills?

Love me and I'll leave you?  
I told you at the start?  
I had no idea that you?  
Would tear my world apart?

And you're the one to blame?  
I used to know my name?  
But I've lost control of the game?  
'Cause even though I set the rules?  
You've got me acting like a fool?  
When I see you I lose my cool?

Lust to love?  
Was the last thing I was dreaming of?  
And now all I want is just to love?  
Lust turned to love?

That was when the fun was in?  
The capture and the kill?  
In another place and time?  
I did it all for thrills?

Love me and I'll leave you?  
I told you at the start?  
I had no idea that you?  
Would tear my world apart
