I'm not too young and
I'm not too old
Listen up everybody
This ain't Aaron's party
Part 2 I'm older now,
Come and show me body,
Girl,whatcha gonna do
Come and talk to me
In the backseat
Baby backstreet

We could surf the board
Surf the net, better yet,
We could make a little bet
If we get together, yo
It's gonna be da bomb
Hit me all baby
Aaron Carter dot com

See when it comes to girls
I'm not too young
Baby take back up on the seat
But when I get in trouble
Hey, I'm not to old
I put my cap way down
And say I'm thirteen-years-old
That's how we roll

Throw your hands up now
Let the music take control
This is how we roll
I'm not too young
And I'm not too old

Here we go

Throw your hands up now
Let the music take control
This is how we roll
I'm not too young
And I'm not too old

It's A to the A to the R O N
I'm all growin' up now
Runnin' to your friend
It's all sewn up now
Where do I begin?
Don't even playa hate
Tryin' to say I look ten
I'm not tellin' you again

I'm all up in the video
Catch me in the studio
That's my life bro
I tell my blood in my blood
Hey, it ain't my fault
You wanna step to me
We can take it to the ashfault
Shoot some hoops
Slam dunk the funk
Battle on the rollerblades
You're callin' me a punk

Bring on the skateboards
Or the BMX
Show me what you got
Is that all? Please, next
I'll wipe the floor with you
Where's the concentration
Don't even talk about
The Sony Playstation
I'll make it happen
If it seems that you won
Aaron Carter gotcha open
dout font dont front
Thats how we roll

Throw your hands up now

Let the music take control
This is how we roll
I'm not too young
And I'm not too old

Here we go

Throw your hands up now
Let the music take control
This is how we roll
I'm not too young
And I'm not too old

He's been out with the older boys

Cover up your ears
'Cause we're makin' that noise
He's been out with the younger girls
Cover up your eyes
'Cause we rock the world

He's been out with the older boys
Cover up your ears
'Cause we're makin' that noise
He's been out with the younger girls
Cover up your eyes
'Cause we rock the world

When it comes to takin'
All the girls for a cruisin'
in my ride
All I need is pillows
Hello I'm not too young
My cellular rung,
Switch it off, yo
Hit me on the pager
A real teenager
With a fake beard
Battin' in the majors

That's how we roll
And when it suits me
I'm anywhere between
12 and 18-years-old

Here we go

Throw your hands up now
Let the music take control
This is how we roll
I'm not too young
And I'm not too old

Here we go

Throw your hands up now
Let the music take control
This is how we roll
I'm not too young
And I'm not too old

Here we go

Throw your hands up now
Let the music take control
This is how we roll

I'm not too young
And I'm not too old

Here we go

Throw your hands up now
Let the music take control
This is how we roll
I'm not too young
And I'm not too old
