I remember the day we met, almost a fairy tale  
Kinda like Romeo and Juliet, I'm never gonna forget

Now my knees went weak when you said hi  
And then you held my hand and looked me in the eyes  
I almost died deep inside

There's so much love that I don't understand  
That I'll never learn myself  
I wanna do what you want me to do  
I want you and no one else

Tell me how to make you smile  
(Tell me how)  
Tell me how to love you, baby girl

I want you to tell me how  
(How)  
Tell me how to make you smile  
(Tell me, tell me, tell me)

I heard about how wonderful love can be  
But in my mind I never could have dreamed  
Such a fantasy, maybe it's destiny

I share myself with you in a special way  
I'm not a little boy, I'm never gonna leave you  
And I'm gonna say that everything is okay

There's so much love that I don't understand  
That I'll never learn myself  
I wanna do what you want me to do  
I want you and no one else

Tell me how to make you smile  
(Tell me how)  
Tell me how to love you, baby girl  
I want you to tell me how  
(How)

Tell me how to make you smile  
(Tell me, tell me, tell me)

Tell me how to make you smile  
(Tell me, tell me, tell me, tell me)

Tell me how to make you smile  
(Tell me how)  
Tell me how to love you, baby girl  
I want you to tell me how  
(How)

Tell me how to make you smile  
(Tell me, tell me, tell me)  
Tell me how to make you smile  
(Tell me, tell me, tell me)

Tell me how to make you smile  
(Tell me, tell me, tell me)  
Tell me how to make you smile  
(Tell me, tell me, tell me)

Tell me how to make you smile  
(Tell me, tell me, tell me)  
Tell me how to make you smile
