Tell me, won't you tell me what?  
Won't you tell me what you wanna do?  
Tell me, won't you tell me what?  
Won't you tell me what you wanna do?

Are you tired of me?  
Do you want to be free?  
I just got to know  
Should I hang on or let it go?

Don't keep me guessing  
It just ain't fair  
You got me drowning  
In a sea of despair

I've held up for as long as I can  
Ooh, I need to know  
Am I still your man?

T-t-tell me what you want?  
Tell me what you're gonna do, girl?  
Na na na  
T-t-tell me what you want?  
Tell me what I am for, true girl?  
Na na na

Putting pressure on my heart  
Maybe we need some time apart  
We need to find out what's gone wrong  
Before the love's completely gone

I've held up for as long as I can  
I need to know am I still your man  
I'll be past the point of no return  
Is there a reason to be concerned?

T-t-tell me what you want?  
Tell me what you're gonna do, girl?  
Na na na  
T-t-tell me what you want?  
Tell me what I am for, true girl?  
Oh yeah

Give me a chance  
To say what's left of my pride  
Please tell me, girl  
Is the grass greener on the other side?

T-t-tell me what you want?  
Tell me what you're gonna do, girl?  
Na na na  
Tell me what you want?  
Tell me what I am for, true girl?  
Na na na

T-t-tell me what you want?  
Tell me what you're gonna do, girl?  
Na na na  
Tell me what you want?  
Tell me what I am for, true girl?  
Na na na

Tell me, won't you tell me what?  
Won't you tell me what you wanna do?  
Tell me, won't you tell me what?  
Won't you tell me what you wanna do?  
Na na na
