Tell me
Won't you tell me what?
Won't you tell me what you wanna do?

Tell me
Won't you tell me what?
Won't you tell me what you wanna do?

Are you tired of me?
Do you want to be free?
I just got to know
Should I hang on, or let go?

Don't keep me guessing, it just ain't fair
You got me drowning in a sea of despair
I've held up for as long as I can
I need to know, am I still your man?

Tell me what you want
Tell me what you're gonna do, girl
Tell me what you want
Tell me what I have to do, girl

Putting pressure, on my heart
Maybe we need some time apart
We need to find out what's gone wrong
Before the love's completely gone

I've held up for as long as I can
I need to know am I still your man?
I'll be past the point of no return
Is there a reason to be concerned?

Tell me what you want
Tell me what you're gonna do, girl
Tell me what you want
Tell me what I have to do girl

Give me a chance
To say what's left of my pride
Please tell me, girl
Is the grass greener on the other side?

Tell me what you want
Tell me what you're gonna do, girl
Tell me what you want
Tell me what I have to do girl

Tell me what you want
Tell me what you're gonna do, girl
Tell me what you want
Tell me what I have to do girl

Tell me
Won't you tell me what?
Won't you tell me what you wanna do?

Tell me
Won't you tell me what?
Won't you tell me what you wanna do?
