Nanana nananana
Nanana na nananana

Gonna make a connection
Cuz I know I got take 'em up high
And I'll show you how to whip up a kicker
If that's alright
Got the way you're
Ridin the half pipe
There's something 'bout
The look in your eyes
hey girl I know you can show
Me a trick or two
And let it fly

Gonna twist down
Gonna take you on a ride
Gonna get it along
Gonna get it along fine
I got the skills
If you got the style
You do it for me
It's the way you smile, girl
Take people home
To a hip hop beat
Knock me down
Knock me off my feet
Whip one up
Let's get on the with the show
Ooh, yea the way to go

It's to good to be true
Now I'm ridin with you
Too bad to believe
If you know what I mean
Got me spinning around
With my feet off the ground
And I don't wanna come back down
It's to good to be true

Nanana nananana

Nanana na nananana

Okay, it's not like
I'm short of a girlfriend
(Yeah right)

But I'm playing with
My plan of attack
Cuz I know that once she's
Checked out my lip-slide I
Ain't lookin' back

Gonna twist down
Gonna take you on a ride
Gonna get it along
Gonna get it along fine
I got the skills
If you got the style
You do it for me
It's the way you smile, girl
Take people home
To a hip hop beat
Knock me down
Knock me off my feet
Whip one up
Let's get on the with the show
Ooh, yea the way to go

It's too good to be true
Now I'm riding with you
Too bad to believe
If you know what I mean
Got me spinning arou
