"Vindication"

Its been to long
I've been waiting to see you
Endless nighths I lie awake thinging what went wrong
I'm afraid that it's too late but I'm still hanging on
Where have you gone, mother
Its been so long since I've seen you
Can someone take me home
I can't take this anymore, mama

I think you love me
Do your days feel empty
Do you at the photographs
The ones that use to make us laugh
Is it worth a life time of pain and seperation
How can we forgive when all we want is..
Vindication tion tion

I shut you out of me life
Erased you from my mind
Hey
Changed my number
Went to hide
But I still feel you inside

Where have you gone, mother
Do you know how much I love you
Can someone take me home
Can you take me home
Where I belong

I think you love me
Do your days feel empty
Do you look at the photographs
The ones that use to make us laugh
Is it worth a life time of pain and seperation
How can we forgive when all we want is vindication

I think you love me
And do your days feel empty
Do you look at the photographs

The ones that use to make us laugh
Is it worth a life time of pain and seperation
How can we forgive when all we want is vindication
Ohhhh woah ooh
Is it worth a life time!
Ohhhhhhhh
Oh oh oh oh oh oh
