Younge Hearts Run Free
(Romeo And Juliet)

{On lusty gentlemen}

Young hearts ?
Run free?
Never get hung up
{Like my man and me}
{Hung up} like my man and me?
{Like my man and me}

Run free?

Young hearts run free
Never be hung up like my man and me
{Like my man and me}
Young hearts
To your selves be true
Dont be no fool lovin?me darlin?you
{I said Lovin?me darlin?you}
Whats the sense of sharing?
This on and only life
Ending up another lost and lonely life
You count up the years and theyll be filled with tears
I say I wanna live a hundred times a day
Its easier said then done
I just cant break away {faded}
