Pop goes the weasel we're bored to death without a doubt  
Let go the reason and find out what's it all about you know I want out  
We're pissed with all the shit you know I want out

Look at the people hey all they do is live 'n flout  
Crap of the year come on let's just hear your coming out you know I want out  
I'm pissed with all the shit come on I want out

Hey boy, don't lose yourself  
You can trust someone else.  
Hey boy, don't lose yourself  
You need to help yourself  
Come in, come in, come in, come in

Let in the rhythm and music. Everybody shout.  
Brush up your mind and go choose it, take me somewhere out you know I want out  
I'm pissed with all the shit you know I want out

Wake up and know what's the deal.

Crap of the year come on let's just hear your coming out you know I want out  
I'm pissed with all the shit

You need to help yourself  
Come in, come in, come in, come in
