What would you do if it all ended tomorrow?  
Time runnin out, ain't no more you can borrow  
So many paths, which one you gonna follow?  
What would you do if it all ended tomorrow?

What would you do if it all ended tomorrow?  
Time runnin out, ain't no more you can borrow  
So many paths, which one you gonna follow?  
What would you do, what would you do?

(Verse 1: Tha Trademarc)

Uh, this is how it go down  
I have the black-pound-silence so it don't make sound  
I pile a 150 outta town, aint nobody around  
Im in the back seat breakin it down  
My love has been a bad streak dawg lately I found  
Our press made us turn the radio down  
But God bless now they talkin bout layin me down  
Now they on about shovels in the weight of the ground  
What now?  
Preachin on the way that they handle thing  
Watin patiently to do the 6-foot Sand Thing  
Now, so I take a second look at my life  
I made too many mistakes that I just couldnt make right  
Should've been more focused than I take things light  
When I'm gone this is what y'all will say I was like  
An arrogant fool, no not that baddest or cool  
Just a big fish caught up in the shallowish pool  
Not a big name playa, in fact its true  
Never wanted this shit without the kats he knew  
He got lucky rode the coattails of everyones fame  
In two weeks aint nobody gon' rememba his name  
Fuck It  
I'm ready to go, I done made records  
Made monetary off of the flow  
More importantly though, I proved everyone wrong  
Its all over regardless what you say when I'm gone  
What now?

What would you do if it all ended tomorrow?  
Time runnin out, ain't no more you can borrow

So many paths, which one you gonna follow?  
What would you do if it all ended tomorrow?

What would you do if it all ended tomorrow?  
Time runnin out, ain't no more you can borrow  
So many paths, which one you gonna follow?  
What would you do, what would you do?

(Verse 2: John Cena)

I want y'all to feel the wound, its the truth in my words  
I been quiet for too long, the truth should be heard  
It was a while back, 10:20 in the morn'  
Kat should up on my lawn in the rug-ed uniform  
Unexpected, theres a knock on my door  
I met this fool in the club, I don' see him before  
Open to great him, but the second he sees me  
His eyes buckle, his voice is uneasy  
But it's cool, I didn't even catch it at first  
I check his shoulder, homie's rockin a purse  
Now I know something's tricky, but I'm already sittin  
down  
Homie pipes up, you should hear what he's spittin out  
Says I've been sleepin wit his wifey  
And he ain't the type of kat to take that shit lightly  
I made a move and he told me homie wait  
Reached in his purse pulled a chrome 38  
He asked me if I'm ready to die  
Said he was gonna blow my brains all over the sky  
Said he was leavin the country, and he was straight  
with the passports  
Cocked the hammer, I'm thinkin my last thoughts  
I'm in a bad way, nothin could save this.  
I close my eyes hopin it's painless  
Just waitin for the sound, ready to swallow too  
But homie havin trouble with his follow through  
By a miracle, I avoid the chalk ground  
Homie's confused, he just wanna be talked down  
His wife is sleepin through town and he knew it  
Picked me outta the crowd but couldn't do it  
He Squashed it, and as he's walkin away  
I realize life is short so I'm markin the day  
Now it's full speed ahead, I'll rest when I'm dead  
And I could give a Fuck what the next man said  
I live how I wanna live  
Buy what I wanna buy  
Do what I wanna do  
Try What I wanna try  
Fear nothin, take chances  
Not afraid to fail, always makin advances  
So when I ride on the Grim Reaper Highway  
No regrets bitch, I did it my way

Yeah (yeah, yeah, yeah)

What would you do if it all ended tomorrow?  
Time runnin out, ain't no more you can borrow  
So many paths, which one you gonna follow?  
What would you do if it all ended tomorrow?

What would you do if it all ended tomorrow?  
Time runnin out, ain't no more you can borrow  
So many paths, which one you gonna follow?  
What would you do, what would you do?
