You wanna know more, more, more about me
I'm the girl that's kicking the coke machine
I'm the one that's honking at you
'Cause I left late again

Hey
Hey
Hey
Can't you see I want you
By the way I push you away?
Don't judge me tomorrow
By the way I'm acting today
I could be the one
Daring you to hold on to see
Hey
Hey
Get tangled up in me

You wanna know more, more, more about me
Come and stay boy I'll be your drama queen
I'll overanalyse every word
That you say and what it means

Hey
Hey
Hey
Can't you see I want you
By the way I push you away?
Don't judge me tomorrow
By the way I'm acting today
I could be the one
Daring you to hold on to see
Hey
Hey
Get tangled up in me

What you waiting for?
Here's your chance to break open the door
What you waiting for?

You wanna know more, more, more about me

I'm the girl who's sweeping you off your feet

Hey

Hey

Hey

Can't you see I want you

By the way I push you away?

Don't judge me tomorrow

By the way I'm acting today

I could be the one

Daring you to hold on to see

Hey

Hey

Get tangled up in me

Can't you see I want you

By the way I push you away?

Don't judge me tomorrow

By the way I'm acting today

I could be the one

Daring you to hold on to see

Hey

Hey

Get tangled up in me
