[Kelly]

Hello

It's after nine o'clock you should be in bed already

I miss you

I love you baby

I hear you calling for me

Sometimes you cry in your sleep

Cause you don't understand why

I can't be with you tonight

But baby close your eyes

And try to sleep for awhile

You'll hold the pillow tonight

But soon I'll be by your side

I know you wonder if I

Know how you're feeling inside

So many things on your mind

Too much to think for a child

But baby close your eyes

(Close your eyes)

And try to sleep for awhile

(Oh)

I know you want me right now

But I'll be home tomorrow
