I'm in love with someone else
Although I wish it were you
I can't help myself
Nor tell my heart what to feel
Or what to do

I know It aint right
To hurt you this way,
But it is what it is
I don't know what else to say

I don't want to fight
Don't want to disagree
But when I'm with him
Nothing else matters
But him and me

Chorus

I'm so sorry I really am
But I love him
I love that man
He is my truth
He is my strength
He is my love
My only man

Second Verse:

If I could forget him
Believe me I would
But there is no way
No way I ever could

Cause I love him
I really, really do
He is my man
My dream come true

Bridge:

Although you meant the world to me,
You made me whole, but he set me free
I was a total stranger within myself,
but found my way when he made love to me.....ooohhhh

Chorus

Iâ€™m so sorry I really am
But I love him
I love that man
He is my truth
He is my strength
He is my love
My only man
