If I wrote you a symphony
Just to say how much you mean to me {what would you
do}

If I told you you were beautiful
Would you date me on the regular {tell me would you}

Well baby I've been around the world
But I aint seen myself another girl {like you}

This ring here represents my heart
But there is just one thing I need from you {Saying i
do}

Because, I can see us holding hands
walking on the beach our toes in the sand
I can see us on the country side
sitting on the grass laying side by side
You can be my baby
Gonna make you my lady
Girl you amaze me
Aint gotta do nothin crazy
See all I want you to do is be my love

My love (so don't give away)
My love (so don't give away)
My love (so don't give away)
Aint another woman that could take your spot

My love (so don't give away)
My love (so don't give away)
My love (so don't give away)
Aint another woman that could take your spot My love

My loooooooooove
Looooooooove
My loooove
My loooove

Now If I wrote you a love note
And made you smile at every word I wrote

what would you do

Would that make you wanna change your scene
And wanna be the one in my scene

tell me would you

See what's the point in waiting anymore
Cause girl I never been more sure

that baby it's you

This ring here represents my heart
And everything that you been waiting for

Just say "I do"

Because, I can see us holding hands
Walking on the beach our toes in the sand
I can see us on the country side
Sitting on the grass laying side by side
You can be my baby
Let me make you my lady
Girl you amaze me
Aint gotta do nothin crazy
See all I want you to do is be

My love (so don't give away)
My love (so don't give away)
My love (so don't give away)

Aint another woman that could take your spot

My love (so don't give away)
My love (so don't give away)
My love (so don't give away)

Aint another woman that could take your spot my love

My looooooove
Loooooove
My loooooove
My looooooove

[T.I.]

Shorty, cool as a fan
On the new once again
Still has fan from Peru to Japan
Hey listen baby, I don't wanna ruin your plan
But if you got a man, try to lose him if you can

Cause the girls real wild throw they hands up high
When they wanna come and kick it wit a stand up guy
You don't really wanna let the chance go by
Cause you ain't been seen wit a man so fly
Baby friend so fly i can go fly
Private, cause I handle my B I
They call me candle guy, simply cause I am on fire
I hate to have to cancel my vacation so you can't deny
I'm patient, but I ain't gon' try
You don't come, I ain't gon' die
Hold up, what you mean, you can't go why?
Me and your boyfriend we ain't no tie
You say you wanna kick it, wanna aim so high
Well baby it's obvious that I ain't your guy
I ain't gon' lie, I fear your space
So forget your face, I swear I will
St. Bart, Anguilla, anywhere I chill
Just bring wit me a pair, I will

I can see us holding hands
Walking on the beach our toes in the sand
I can see us in the country side
Sitting in the grass laying side by side
You can be my baby
Gonna make you my lady
Girl you amaze me
Aint gotta do nothin crazy
See all I want you to do is be my love

Love
My love
Love
My love
Love

Aint another woman that could take your spot

My love
Love
My love
Love
My love
Love

Aint another woman that could take your spot

My looooooove
Loooooove
My looooooove
My Loooooove.
