And you bring me to my knees
Again
All these times that I could beg you please
In vain
All the times
That I felt insecure
For you
And I leave my burdens at the door

I'm on the outside
I'm looking in
I can see through you
See your true colors
'Cause inside you're ugly
You're ugly like me
I can see through you
See to the real you

(Fred Durst, speaking)
This is the real motherfucking deal y'all
I'm feeling those lighters

All the times that I felt like this won't end
Was for you
And I taste what I could never have
It's from you
All those times that I've tried
My Intentions
Full of Pride
And I waste more time than anyone

I'm on the outside
I'm looking in
I can see through you
See your true colors
'Cause inside you're ugly
You're ugly like me
I can see through you
See to the real you

All the times that I've cried
All this wasted

It's all inside
And I feel all this pain
Stuffed it down
It's back again
And I lie here in bed
All alone
I can't mend
And I feel
Tomorrow will be ok
Only hope

(Fred Durst and Aaron Lewis, Sung)

I'm on the outside
I'm looking in
I can see through you
See your true colors
Inside you're ugly
You're ugly like me
I can see through you
See to the real you
