In my world
The shelter from the rain
You're the pills
Then take away my pain
You're the fire
Then warms me when I'm cold
You're the hand
To hold as I grow old

In a world
Where nothing else is true
Here I am
Still tangled up in you
Still tangled up in you

You're the ship
When I am lost at the sea
You're the only thing

That I lack out go 'bout me
You're the lie
Then
You're the
In my very best days

In this world
Where nothing else is true
Here I am
Still tangled up in you
Tangled up in you
I'm still tangled up in you
I'm still tangled up in you
I'm still tangled up in you
