i love my horse (love)
i love to ride it (aha)
i love to make love to it too (you do)
so feed the horse

i love my girls
i like them big on the top
big on the buttom too (me too)
feed the horse (oh)

i want to make love to them (i want too)
i want them to scream my name (yum yum)
so i say: feed the horse

i want to ride them
i want them to ride me (you do)
oh come on
feed the horse yum yum

feed the horse yum yum
feed the horse yum yum
feed the horse
feed the horse
feed the horse yum yum
feed the horse yum yum
feed the horse yum yum
feed the horse
feed the horse
feed the horse yum yum
(scream with me)
feed the horse yum yum
feed the horse yum yum

to be continued =].
