[Intro - Sample]

Flashing... lights

Flashing... lights

Flashing... lights

Flashing... lights

[Verse 1 - Kanye West]

She don't believe in shootin stars

But she believe in shoes and cars

## Wood floors in the new apartment

## Cool tour from the store's departments

You more like love to start shit

I'm more of the trips to Florida

Ordered the hors d'oeuvres views of the water

Straight from the page of your favorite author

And the weather so breezy, man why can't life always be this easy?

She in the mirror dancin so sleazy

I get a call like where are you Yeezy?

And try to hit you with the ol' whopty

Till I got flashed by the paparazzi

Damn, these niggas got me

I hate these niggas more than the Nazis

[Chorus - Dwele] (Sample)

As I recall I know you love to show off (Off)

But I never thought that you would take it this far (Far)

## What do I know? (Flashing... lights)

What do I know? (Flashing... lights)

Knoowwwwwwwwwwww!!!!!!!!!!!!

[Verse 2 - Kanye West]

I know it's been a while sweetheart

We hardly talk I was doing my thing

I know it was foul baby

A bay, lately, you been all on my brain

And if somebody woulda told me a month ago

Frontin though, yo I wouldn't wanna know

If somebody woulda told me a year ago

It'll go get this difficult

Feelin like Katrina with no F.E.M.A.

Like Martin with no Gina  
Like a flight with no visa  
First class with the seat back I still see ya  
In my past, you on the other side of the glass  
Of my memory's museum  
I'm just sayin, hey Mona Lisa come home  
You know you can't +Rome+ without +Caesar+

[Chorus] (Repeat 2x)

As I recall I know you love to show off (Off)  
But I never thought that you would take it this far (Far)  
What do I know? (Flashing... lights)  
What do I know? (Flashing... lights)  
Knoowwwwwwwwwww!!!!!!!!!!!!!!  
As I recall I know you love to show off (Off)  
But I never thought that you would take it this far (Far)  
What do I know? (Flashing... lights)  
What do I know? (Flashing... lights)  
Knoowwwwwwwwwww!!!!!!!!!!!!!!

[Outro - Sample]

Flashing... lights  
Flashing... lights  
Flashing... lights  
Flashing... lights
