[Verse 1 - Kanye West] I'm living in that 21st century
Doing something mean to it Do it better than anybody
you've ever seen do it Scream from the haters, got a
nice ring to it I guess every superhero needs his theme
music Â [Chorus - Kanye West] No one man should
have all that power The clock's ticking, I just count the
hours Stop tripping I'm tripping off the power (21st
Century Schizoid Man) Â [Verse 2 - Kanye West] The
system broken, the school closed, the prison opened
We ain't got nothing to lose, Ma'fucka we rolling Huh?
Ma'fucka we rolling There's some light skinned girls
and some Kelly Rowlands In this white mans' world, we
the ones chosen So goodnight cruel world, I see you in
the morning Huh? I see you in the morning This is way
too much, I need a moment Â [Chorus - Kanye West]
No one man should have all that power The clocks
ticking I just count the hours Stop trippin I'm tripping off
the power Til then, fuck that, the world's ours Â And
then they (Go) And then they And then they (Go) And
then they (21st Century Schizoid Man) Â [Verse 3 -
Kanye West] Fuck S N L and the whole cast Tell them
Yeezy said they can kiss my whole ass More
specifically, they can kiss my asshole I'm an asshole,
you niggas got jokes You short-minded niggas
thoughts is Napoleon My is furs is Mongolian, my ice
brought the goalies in Now I embody every
characteristic of the egotistic He know, he so, fucking
gifted I just needed time alone with my own thoughts
Got treasures in my mind, but couldn't open up my own
vault My childlike creativity, purity and honesty Is
honestly being crowded by these grown thoughts
Reality is catching up with me Taking my inner child,
I'm fightin for custody But these responsibilities that
they entrust in me As I look down at my dia-mond-
encrusted piece thinking Â [Chorus - Kanye West] Â
Verse 4 Hova, Powers, Austin, Powers Lost in
translation with a whole fucking nation They say I was
the abomination of Obama's nation Well that's a pretty
bad way to start a conversation At the end of the day,
Goddamnit I'm killing this shit I know damn well y'all
feeling this shit I don't need your pussy bitch, I'm on

my own dick I ain't got to power trip, who you going
home with? How 'Ye doin? I'm surviving I was drinking
earlier now I'm driving Where the bad bitches, huh?
Where ya hiding? I got the power make your life so
exciting Â [Outro - Kanye West & Dwele] x3 Now this
will be a beautiful death Dropping out the window I'm
letting everything go I'm letting everything go Â You
got the power the let power go?
