Welcome to the good life, where niggaz'll sell D
Won't even get pulled over in they new V
The good life, let's go on a living spree
Shit, they say the best things in life are free
The good life, it feel like Atlanta
It feel like L.A., it feel like Miami
It feel like N.Y., summertime Chi
Ahhhhh~! (Now throw yo' hands up in the skyyyyy)
So I roll through good
Y'all pop the trunk, I pop the hood - Ferrari
And she got the goods
And she got that ass, I got to look - sorry!
Yo it's gots to be cause I'm seasoned
Haters give me them salty looks - Lawry's
50 told me, go 'head, switch the style up
And if they hate then let 'em hate and watch the money
pile up
The good life

[Chorus: Kanye West] + (T-Pain)

Now I, I go for mine, I got to shine
(Now throw yo' hands up in the skyyyyy)
Now I, I go for mine, I got to shine
(Now throw yo' hands up in the skyyyyy) Ayyy
(I'ma get on this TV momma, I'ma)
(I'ma put shit downwwwn)
Ayy (ayyy) ayy (ayyy)

[Kanye West] + (T-Pain)

Welcome to the good life! Where we like the girls who
ain't on TV

Cause they got mo' {ASS THAN THE MODELS}

The good life, so keep it comin with the bottles

Cause she feel booze/boos like she bombed at Apollo

The good life, it feel like Houston

It feel like Philly, it feel like D.C.

It feel like V.A. or M. Bay or Yay

Ayyyyy~! This is the good life

(Welcome to the good life) Homey tell me what's good

Why I only got a problem when you in the hood

(Welcome to the good liiife) Like I'm new in the hood

The only thing I wish {I WISH A NIGGA WOULD}

(Welcome to the good LIIIFE!) He probably think he
could

But, but, I don't think he should

(Welcome to the good life) 50 told me, go 'head, switch
the style up

And if they hate then let 'em hate and watch the money
pile up

The good life

[Chorus]

[Kanye West]

Have you ever popped champagne on a plane, while
gettin some brain

with that ass she said, "I never seen +Snakes on a
Plane+"

Whether you broke or rich you gotta get biz

Havin money's not everything that havin it is

I was splurgin on trizz, but when I get my car back

Activate it, I'm back to Vegas

Cause (the good life) I always had a passion for flashin

Befo' I had it, I closed my eyes and imagined

The good life

[T-Pain]

Better than the life I lived

When I thought that I was gonna go crazy

And now my grandmomma

Ain't the only girl callin me baby

If you feelin me now

Then put yo' hands up in the sky, and let me hear you
say

Heyy, hey, ooooh I'M GOOD!
