Just to see her
Just to touch her
Just to hold her in my arms again
One more time

If I could feel her warm embrace
See her smilin' face
Can't find anyone to take her place
I've got to see her again

I would do anything
I would go anywhere
There's nothin' I wouldn't do
Just to see her again

I can't hide it, no
I can't fight it
It's so hard to live without the love
She gave to me

Doesn't she know it
I tried hard not to show it
Can't I make her realize that she
Really needs me again

I would do anything
I would go anywhere
There's nothin' I wouldn't do
Just to see her again

She brightened up my everyday
Made me feel so good in every way
If I could have her back to stay
I've got to see her again

Just to see her, I want to see her
Just to hold her, hold her, hold her, hold her
Just to see her, see her
Just to touch her, touch her

I would do anything
I would go anywhere

There's nothin' I wouldn't do
Just to see her again

She brightened up my everyday
Makes me feel so good in every way
If I could have her back to stay
I've got to see her again

Just to see her good, want it, want it, want it
Just to see her, made me feel so good
Just to see her, if I, if I could only see her again

Just to see her, there's nothing I wouldn't do
Just to see her, oh, don't you know it's true
Just to see her, if I could only see her again
