Why would she make calls out the blue
Now I'm awake sleep is [?]
Hey hey hey hey don't say you will unless you will
Hey hey hey hey don't say you will and play you will
I pray you will
Misses so fly crash lands in my room
Can't waste no time she might leave soon
Hey hey hey hey don't say you will do do
Hey hey hey hey don't say you will one day you will
I pray you will
When I grab your neck [?] I touch your soul
Take off your cool [?] and lose control
Hey hey hey hey don't say you will you will you will
Hey hey hey hey don't say you will if you will I pray you
will
I wish this song would really come true
I admit I still fantasize about you
Hey hey hey hey don't say you will you will you will
Hey hey hey hey please say you will for real I pray you
will

We was so official see the tears to my tissue on my
shoulder was
the tissue for her tears
I told my fears she told me her fears
She said she'd do whatever so we make it threw the
years
So as the moment heald when we not together
Thought we suppose to be forever
Sick to my stomach wanna vomit and I'm bummin' I
ain't got a hair
cut in about month
In I be frontin' when u callin in the mournin' like u want
it but you
don't you just be frontin' why u frontin?
I'm abusing my substance doin alot of puffin' doin alot
of cussin'
Talkin to myself like drigga what happen(ha ha)
Yellin one minute next minute I'm laughin'
Next minute I'm cryin next minute I'm dying pass me
the asperin

Stop the bucket all back then
Look at the sky like LORD WHAT YOU ASKIN'...
Well you take her away from me why she have to go
Father this your son I only wanna know suppose to plant
my seed
in her we was pose to grow
Is it what she said or another nigga though...
Ain't nobody can't nobody else be with my baby see ya
with another
man I probley go crazy
I am crazy
I kill um if I see see him how I'm feelin I ain't playin
I am playin
Gettin' my kanye in...
Baby this is trey and everyday they in a weight in
They be sayin I don't be slayin' these beats so
maliciously tell me
y you dissin' me
I try to leave the mic alone she called an said she
misses me I
came back now ain; t that sweet of me for me to be
Givin her what she need
Allday is V.A
To the bay to ny to la I been fly
I been passed guys in the rearview a lookey hear you
I don't care what my pears do
It's alot of u's like seafood so many fish in the sea only
1 me only
1 songs ain't no 1 song I won't jump on and get my
thump! on
Beat the track up like it jumped on... my momma and
that's on my momma
And ain't no rama ain't no singer ain't no human ain't
no creature
that can fill my sneakers
I sound so good threw the tweeters I smell so hood
from the refer...
Yet I'm tryna change my imagry but I'm still real I ain't
never been gemick-e
Said I'm great now but image what I'm finna be
I'm filled with flattery everytime they mimmick me
Aye! I'm at the top of my game
An ain't nobody poppin my chain I don't even wear one
but the
goons gone bang if you reach for any mouthafuckin
thang it's tramaine...
