I fall to pieces  
Each time I see you again  
I fall to pieces  
How can I be just your friend

You want me to act  
Like we've never kissed  
You want me to forget  
Pretend we've never met  
And I try and I try  
But I haven't yet  
You walk by and I fall to pieces

I fall to pieces  
Each time someone speaks your name  
I fall to pieces  
Time only acts to the play

You tell me to find someone else to love  
Someone who loves me too  
The way you used to do  
But each time I go out with someone new  
You walk by and I fall to pieces
