When we go out dancing on a Friday night  
I get this funny feeling somethings not quite right  
my senses of rhythm is incontrovertibly site  
I cant fake it

I can see the pity in your big brown eyes  
the perpetrator lies between my back and my thighs  
it doesn't want to wiggle though I try try try  
I cant make it

**Chorus**

I get the feeling that I look absurd  
I get the feeling that I look absurd and it hurts  
I just cant shake it, shake it, shake it  
Oh no, I just cant shake it, shake it, Oh!  
I just cant shake it, shake it, shake it  
Oh no, I just cant shake it, shake it, Oh!

Couldn't walk the line inside the country scene,  
and disco was a flop, I'm sure no dancing  
queen  
couldn't really qualify for break dancing, I just  
break it.

Try to bend my body to the latest hit  
someone called the nurse thought I was having a fit  
I execute the moonwalk like I stepped in sh!t  
I cant take it

**Chorus**

I get the feeling that I look absurd  
I get the feeling that I look absurd and it hurts  
I just cant shake it, shake it, shake it  
Oh no, I just cant shake it, shake it, Oh!  
I just cant shake it, shake it, shake it  
Oh no, I just cant shake it, shake it, Oh!

Ooh ooh ooh

I just cant shake it  
Oh no, I just cant shake it,

I just cant shake it, shake it, shake it  
Oh no, I just cant shake it, shake it, Oh!  
I just cant shake it, shake it, shake it  
Oh no, I just cant shake it, shake it, Oh!  
I just cant shake it, shake it, shake it  
Oh no, I just cant shake it, shake it, Oh!  
I just cant shake it, shake it, shake it  
Oh no, I just cant shake it, shake it, Oh!
