When the Love of the Loved one
Falls apart,
I fall 90 miles an Hour off the Cliff,
If I don't have your love
I fall and Miss your arms at 90 Miles an Hour
I fall 90 Miles an hour Off the cliff,
When our Love used to be Beautiful
I loved you as our love fell apart

When I was falling 90 Miles an Hour
I was dreaming for you to come back to me,
I miss you
Come back to me
And you can Catch me in you're Arm
I'm falling 90 Miles an hour off the Cliff
As I'm waiting for you're love
As I call out for you're name and you donnot Yell back
Oh yeah

I'm falling
90 miles an hour
As wait for you're love to Pick me back up
I'm falling 90 Miles an Hour
When I wait
My love
Falls apart
