If you had not of fallen
Then I would not have found you
Angel flying too close to the ground

And I patched up your broken wings
And hung around awhile
Trying to keep your spirits up
And your fever down

And I knew someday you would fly away
For love's the greatest healer to be found

So leave me if you need to
I will remember
Angel flying too close to the ground

So fly on
Past the speed of sound
I'd rather see you up
Than see you down

So leave me if you need to
I will remember
Angel flying too close to the ground
