[Intro]

Whoa, whoa, whoa

[First Verse]

I go to sleep late every night

Then I wake up made I'm still alive

Cause there ain't no pain like a hopeless heart

Am I going insane? feels like my life is falling apart

[Bridge]

Sometimes it feels like I don't want to live no more

I gave it all I got and I just can't give no more

But I gotta keep my head up somehow someway

Because tomorrow's a new day

[Chorus]

Life goes on, life goes, life goes on

Just keep living, it'll get better

Life goes on, life goes, life goes on

Just keep living, keep living

Life goes on, life goes, life goes on

Goes on... goes on... goes on...

Life goes on, life goes on, life goes on

Goes on... goes on... goes on...

[Second Verse]

Depression comes on really strong

To where me and my thoughts don't need to be alone

Cause I can't lie I thought about suicide

Cause apart of me wants to die

And the other part wants to stay alive

[Bridge]

Sometimes it feels like I don't want to live no more

I gave it all I got and I just can't give no more

But I gotta keep my head up somehow someway

Because tomorrow's a new day

[Chorus]

Life goes on, life goes, life goes on

Just keep living, it'll get better

Life goes on, life goes, life goes on

Just keep living, keep living

Life goes on, life goes, life goes on

Goes on... goes on... goes on...

Life goes on, life goes on, life goes on

Goes on... goes on... goes on...

[Breakdown]

Cause there ain't no pain like a hopeless heart

Am I going insane? it'll get better

Cause there ain't no pain like a hopeless heart

Am I going insane? it'll get better

[Chorus]

Life goes on, don't give up no

Don't give up noooo, it'll get better

Life goes on, life goes, life goes on

Just keep living, keep living

Life goes on, all you gotta do

All you gotta do, all you gotta do is hold on

Life goes on, life goes on, life goes on

Goes on... goes on... goes on...
